The Representatives of the Organizations / Firms present in the Meeting were informed that, the tendering process is through e-procurement portal. The bidders registration process through e-procurement portal is given in the tender document. Interested bidder has to obtain Digital Signature Certificate (DSC) from the authorized DSC Vendors and register with e-portal for uploading the bids. Hence, they were requested to complete the formalities of getting DSC and registering with e-portal. Further, they were requested to upload their proposals well in advance before the proposal submission due date to avoid technical problems.
