

Course and Colleges BTFS:

1. Fermentation and Bioprocess:

Probiosis, Bangalore

Siddaganga Institute of Technology, Tumkur

St. Aloysius College, Mangalore

Vishweshwariah College of Applied Sciences, Gulbarga

2. Cellular and Molecular Diagnostics:

Manipal Life Science Center, Manipal

The Oxford College of Science, Bangalore

3. Pre-clinical, Clinical Research, Biostatistics and Data Management:

Maharani Lakshmi Ammanni College for Women, Bangalore

Manipal Life Science Center, Manipal

PES Institute of Technology, Bangalore

4. Protein Expression and Scale-up:

JSS College of Arts, Commerce & Science, Mysore

Manipal Life Science Center, Manipal

5. Biosensors and Medical Devices:

Probiosis, Bangalore

6. Nutraceuticals and Food Processing:

MM Arts & Science College, Sirsi

Padmashri Institute of Management & Sciences, Bangalore

Probiosis, Bangalore

7. Plant Genetic Transformation, Genome, Seed and Marker Analysis:

Dayanandsagar Institution, Bangalore

8. Bioinformatics and Rational Drug Design

Dayanandsagar Institution, Bangalore

Maharani Lakshmi Ammanni College for Women, Bangalore

Siddaganga Institute of Technology, Tumkur

9. Plant Tissue Culture and Micro-propagation:

Dayanand Sagar Institution, Bangalore

JSS College of Arts, Commerce & Science, Mysore

MM Arts & Science College, Sirsi

Padmashri Institute of Management & Sciences, Bangalore

St. Aloysius College, Mangalore

The Oxford College of Science, Bangalore

Vishweshwariah College of Applied Sciences, Gulbarga
